MESSAGE FROM THE COMMODORE

Aloha Hawaii Yacht Club members and guests,

My term as Hawaii Yacht Club Commodore has started full of optimism! I have researched the club history, attended all of our events and parties, and have got to know a lot of people better. I have also received great advice from staff commodores on important issues. Robbie Buck helped me understand the mooring situation, Ron Uryga stepped up and helped me get our HYRA application in, and Steven Eder went out of his way to help with the ongoing cleaning and maintenance issues, in addition to running the Friday night BBQ with his dedicated team of generous people. Sam Brecher has been invaluable to me as chair of our new technology committee and Carl Geringer has been a great help by keeping me up to date on Transpac, as well as filling me in on a lot of the behind the scenes things the club needed help with. Many, many more folks have contributed to my optimism.

We have actually accomplished several of the things we hoped to: the new membership drive is in full swing and shows signs of increasing membership significantly, thanks to Rich Smith; the by-laws and standing rules have been reviewed many times over by our volunteers to pull together all previous changes into one document; we have made some financial savings as discussed last year with the assessment request and will keep chipping away at this; planning moves on for upgrading facilities in the future and we are following and participating in the states RFP for the harbor.

In addition to the above achievements, we have continued our agreement with Sun Global Broadband and now have a separate email for members at the club. We are currently working on serving the Transpac building and helping them supply boats in the harbor with quality inexpensive internet, which will also benefit the junior sailing program. We have a start on installing the new door buzzer and new cameras around the club. We also met with Waiwai Ola Waterkeepers to explore our participation in their Oyster project for cleaning the Ala Wai. A lot of positive things are happening at Hawaii Yacht Club!

HYC continues to provide opportunities for great sailing (both cruising and racing), great food, great drinks, great parties, and great music!

Aloha,

Jim Schmit

Upcoming Events

HYC has many fun and festive events in store: *

On **April 4**, 6 - 8 p.m., join us for Rum Tasting, in the upper bar, to sample spirits from our bar and from Southern Glazer Spirits - \$20 per person - with pupus available for purchase. Please RSVP to Kevin at 381-0544 (but don't hesitate to come if you decide at the last minute).

On **April 7**, we will **Party Like Vikings**, honoring our Danish visitors Kim and Lene. This event will feature huli-huli, the Galley's cuisine and music by Green Flash. **The Viking Party** is being hosted by member Tom Sullivan, who is more than generous with food and entertainment, but we will have to buy our own drinks!

On **April 18**, 6 - 8 p.m., we will have our monthly wine tasting. RSVP to Kevin if you can. Call ahead for pupu platters of fruit & veggies or charcuterie.

On **Saturday April 20**, we will celebrate the end of tax season with a **Tax Relief Party** to help us get over the trauma of paying our taxes!

Sunday, April 21, is Easter Sunday. The Galley will have a special brunch. Watch your e-blasts or the club Facebook page for details.

Game Nights and **Movie Nights** will continue on the second and third Thursdays of the month, respectively.

*Note from the Board of Governors: *Mahalo* to the Galley, Marketing, and Membership Committees for their constant efforts to pack our calendar with these events!

The Bar will continue to tailor the Happy Hour and wine menus for our members and to hold special tastings. If you have suggestions or requests, talk to Kevin.

On Friday evenings after the race, the **downstairs grill** is open, serving burgers, salmon burgers, and black bean veggie burgers to benefit HYC Sailing. Steve and Tracy Eder and their helpers volunteer their time to do this, from shopping to grilling and serving, all the way through to the accounting. A big *Mahalo* to them for this hugely popular option.

On Saturday evenings, the club is quiet, especially in contrast to Friday nights. It's the perfect time to come in and enjoy a sunset cocktail while listening to Hawaiian musicians (last two Saturdays of the month) and to have a relaxing dinner.

(cont. on page 6)

NOTES FROM THE GALLEY (CONT.)

We continue to appreciate the Galley's Chef JoJo and her cordon bleu cuisine. We receive letters praising the Galley, which is not surprising once you have savored the depth of flavor in the innovative dishes and elegant takes on traditional favorites: tender, succulent rib-eye steaks are cooked to perfection at a reasonable cost; the fish and chips are arguably the best in town; the home-made gnocchi in rich red sauce are truly a culinary treat, and Chef can also make the dish healthy and fresh with spring vegetables and olive oil. Menus change weekly and vegetarian/vegan options are always available.

Special Thanks

HYC wants to say *Mahalo Nui Loa* to our member Cody Jarrett. Cody brought in his professional crew and stayed up all night to shampoo the carpets in the dining room, foyer and board room. He left them sparkling clean.

Is there something you are able to do for HYC? The opportunities are endless. We each have special abilities and resources to contribute, so don't be shy. Step up to the plate - you will be glad you did.

Conclusion

The Galley Committee is working to bring more fun to HYC via special events, theme nights, and private parties in the restaurant and bar. Please feel free to contact us with suggestions and comments.

We thank everyone who supports the bar and galley and has joined with us to promote the success of the Hawaii Yacht Club. This is more fun than adults should be allowed to have!

Best regards to all,

Your Galley Committee

SHIPS STORE

This month at the Ships Store, we are excited to be carrying some new logo apparel options, including new men's and women's T-shirts and a few new Aloha shirts and shorts from Reyn Spooner that feature our HYC burgee. We will also be receiving a limited number of Reyn Spooner 50th Transpac Aloha shirts as well as some new polo shirts with the embroidered burgee a few weeks into April.

We are continuing to ready the store for the upcoming Transpac, and ask that **anyone who could do even just a couple of 3 hour shifts on the register during Transpac this July** to please send an email to shipstore@hawaiiyachtclub.org with your contact information and what days/times you might be available to volunteer.

MEMBERSHIP REPORT

Aloha Hawaii Yacht Club,

Membership Drive is the catchphrase of the month. Until the end of April, we have a "no initiation fee" promotion. Please be active and promote Hawaii Yacht Club by bringing in others to join the club.

HYC is particularly strong on promoting youth and family membership; HYC is coordinating a junior sailing team to encourage, promote and prepare these junior sailors with skills to race in the Open Bic * Series. HYC members Kawika Warren and his daughter Ailana Warren, with the assistance of Marley Cusick (an instructor with HYC Sailing) are directing this program.

Hawaii Yacht Club is also collaborating with Hawaii Kai Boat Club for the 5th Annual Dinghy Transpac, which will be from Hawaii Kai to Ala Wai. This is an all-ages, fun-filled event happening on April 21. For information, please visit www.hawaiikaiboatclub.com or talk to the Entry Chair Todd Carle at Hawaii Kai Boat Club. Feel free to contact membership@hawaiiyachtclub.org as well. Hawaii Kai Boat Club is also hosting the Ring of Fire Regatta Series on Friday, April 19 and Saturday, April 20.

An newsworthy upcoming event on July 4, 2019, is the visit to HYC's Aloha Dock by *Maiden*, a record-breaking participant in the 1989-1990 Whitbread Round the World Race (now called the Volvo Ocean Race). This iconic yacht has taken to the seas on a global world tour to promote "The Maiden Factor", a not-for-profit organization founded by Tracy Edwards MBE. This is an exciting opportunity to see the mission and view their movie, which was presented at the Sundance Film Festival.

And then of course we have Transpac 2019, which is the 50th Anniversary and an experience that all HYC would be enthused to participate in. There are sign-up sheets for volunteers and Rich Stone is leading the volunteer coordination.

We currently are interviewing and vetting new members for April. We also welcome Associate membership - if you know anyone who regularly comes to visit HYC, encourage them to join as an associate member.

Engagement, participation, positivity, duty, leadership and kindness. This is your calling HYC - contribute your energy, thoughts, and ideas.

Aloha
Hawaii Yacht Club Membership Committee

*The **O'pen Bic**, often simply referred to as the **Open Bic**, is a single-handed sailboat designed for younger sailors.

MARKETING

Marketing had a very successful month supporting the goal of greatly expanding our membership. Sending postcards to nearby condos, boosting two of the many Facebook postings, sending out emails to previous visitors, utilizing Meetup, and other means resulted in 40 plus people attending our Open House. As a result, several people applied to join, and inquiries from that campaign are still trickling in. We thank those whose help made this possible, Bri, Haley, Sam, and Ashley and especially Hank Mulligan and Eric De Carlo for assisting with gate watch.

In addition, the BOG's backing made all the difference; the board agreed to the 'no initiation fee' drive for two months, with a small budget to support it. Thank you!

We plan to have another Open House on April 27, by which date better and timelier preparation will ensure that we bring in even more new members. Extra help from our existing members will of course make this new campaign even more successful than the last!

Aloha,
Rich Smith

CRUISING AND VOYAGING SOCIETY

Aloha Members

The HYC Cruising and Voyaging Society held its monthly presentation on March 5, the first Tuesday of the month. Our speakers for that night - Chris and Katie Howell – shared about their cruise to Lanai and Molokai.

Chris and Katie sailed to Molokai on Jan 6, 2019, in light winds, and anchored in the quiet shelter of Haleolono overnight with their crew. The next day, they made their way over to the island of Lanai, where they spent time at the Pinnacles and Manele Bay, before heading back to Oahu on Jan 10. We thank them for sharing the trip with us through pictures and stories.

Our Sunday brunch was held on St. Patrick's Day, March 17, at the Galley by the Sea. We all had green on and enjoyed great food and conversations about sailing, grandkids, and other subjects, while we shared a meal with other cruisers. It was a rather quiet Sunday, but we did get to see the racers heading out. Kawika left our meeting early to move the racing buoy and sped off to White Plains (Ewa Beach) area to set the race's northern mark. Thanks to those who joined us for brunch - it is always fun to be with you.

Our next trip is coming soon and once the weather cooperates we will be headed out. Come join us at our next meeting, which (at the time of writing) is on Tuesday, April 2 at 6:30 p.m.

JUNIOR SAILING

We just finished a spring break sailing class for 14 sailors and had great weather for the week. Everyone was able to get out to the ocean and the more skilled students were able to sail a laser.

The regatta season for the Interscholastic League of Honolulu is coming up, with the first race on Wednesday, April 3. There are three divisions in Toppers and 420s and each fleet sails six regattas to determine the ILH championship. Races are in the ocean on Tuesdays and Thursdays and in the harbor on Monday and Wednesdays. The schools participating are St Francis, St Andrews Priory, Sacred Hearts Academy, Kamehameha-Kapalama, Punahou, Mid-Pacific Institute and Iolani.

We have adult dinghy sailing available on Saturdays – sailors who are at or around entry level are welcome to sail from 9 to noon, while those capable of single-handed sailing can join from 1 to 4 p.m.

We have two Open Bic races coming up at the end of April, with a race on Saturday, April 27 and another on Sunday, April 28. All Bic sailors are welcome to attend.

Happy Sailing!

Adult Sailing Lessons

Do more things that make you forget to check your cell phone!

Learn to sail!

Hawaii Yacht Club is proud to offer adult sailing lessons to the public.

Lessons are conducted in a Cal 20' keelboat, which is a stable, forgiving, and easy-to-sail vessel.

Class size is limited to two students per instructor for each on-the-water lesson, so you will have plenty of time to practice your sailing skills and to ask all your hardest questions!

Skills covered in the class are knots, rigging the boat, tacking, jibing, sail trim, hull trim, points of sail, docking, and more.

The sailing portion of the instruction includes four (4) three-hour learning sessions aboard the Cal 20.

Our instructors are US Sailing trained and certified instructors, also certified in CPR and First Aid.

\$495.00 for one person.

If you learn to sail with a friend or spouse,
the second person learns for half-off the price!

For Hawaii Yacht Club members, there is an additional 25% off the cost.
