## MESSAGE FROM THE COMMODORE

---

Aloha HYC members and friends!

I hope everyone enjoyed their holidays. I would like to thank you for your support in becoming your new commodore. I have big plans for the upcoming year. Membership is our highest priority, and in order to draw in new members we need to give them a reason to join.

We are now offering food during our general membership meetings. My wife and I will be inviting the new members to sit with us at the commodore's table. The Board of Governors will also have tables for members to sit with them and get to know each other. Dinner will be a set menu and you will need to rsvp so the chef knows how much food to prepare.

Recently we have had some amazing donations to the club: a popcorn maker, toaster oven for the bar, and a tv (anonymous donation). I would like to say thank you very much to those who donated these useful items to our club.

I hope you've already experienced the new galley--if not, you've been missing out. The food is top-notch and the galley staff provide excellent customer service. A special thanks to Cody Jarrett, our new galley chair, for finding us the new galley and being instrumental in helping to get it up and running. He and his volunteers gutted and cleaned the galley. A big mahalo to all that made this happen.

I would also like to thank Craig and Jen Wicke and their volunteers for taking over the Friday night race committee as Frank has passed the torch. Thank you, Frank, for all your years of service.

I've appointed Ashley Bailey to head membership committee. She is very enthusiastic and has a lot of great ideas to bring to the table.

Thanks also to the volunteers who decorated the club creating a festive holiday spirit.

I have assembled a great team with lots of new ideas on keeping the club going well into the future. Feel free to share any ideas you may have as well. I look forward to working with all of you.

Fair winds,

Steven Eder  
HYC Commodore

# VICE COMMODORE'S REPORT

Welcome Aboard!

January is the start of a new year and me as the Vice Commodore. We need to have activities at HYC that attract new members and keep everyone looking forward to the next activity. The new year will have an event or party each month. The calendar is getting full!

What a fantastic New Year's Eve party! The club was full of members and potential members enjoying the evening. The club was all decorated on both decks and we even had a "speakeasy" and gambling with play money on the lower deck! We had over 130 people with music by "Go ask Alice" ringing in the new year. This would not have happened without the tireless help of Russ Johnson and Janell Clark, Cody Jarrett and Carolina, Dianne Washington-Kay, and especially Jen Wicke. Thanks to these volunteers for hours of work to put this all together. I also want to give special thanks to Juli, Brian and Kylie King, Jackie Troller, Steven and Tracy Eder, and Ashley Bailey for manning the gate on New Year's Eve!

I have been scheduling some of our favorite bands along with some new ones for Friday nights at the club. People have been asking about music on Saturdays because we now have the Galley by the Sea open with Chef Davina Day cooking. Stay tuned for updates.

January 19<sup>th</sup> is the Commodore's volunteer appreciation and sign-up. Come down to the club and be part of the crew that makes things happen.

The Chinese New Year celebration will be on Saturday February 1<sup>st</sup>. It's the year of the Rat and we will have a rat-bank raffle with a winner being announced at 9 pm. Make sure you bring \$1 bills to put in the bank! Lion dancers will be at the club at 7:30 pm, so bring some more money to put in the red envelopes for good luck!

Super Bowl Sunday is February 2<sup>nd</sup>. Come down to the club to watch a great game, be with some great friends, and eat some great food.

HYC functions like a boat. It needs a crew to run it. We are always in need of volunteers to make things happen. There are yacht clubs around the world that make volunteering a mandatory part of being a member, not just paying dues. We do not want to go this route, so all members should support their club and help any way they possibly can!

We need to move forward in this decade, get our name out there to prospective members, and make this an outstanding yacht club for our future generations.

See you at the clubhouse!

Craig Wicke  
HYC Vice Commodore

## SAILING REPORT

---

Aloha HYC sailors!

As we enter the new year, I'd like to take a moment to reflect on the terrific race season we had in 2019. The season saw many fun races and brought several new sailors to the scene. These successes were made possible by our RC for Sail for the past two years, Ron Uryga. Ron, along with his partner Antje, and the many members of the race committee, gave countless hours organizing and managing races and cooking food for hungry sailors at the post-race celebrations. Thank you, Ron, for your hard work and dedication. HYC is very appreciative of and grateful for your service.

Building on those successes, as HYC's new RC for Sail, I hope to help make the club's 2020 racing season equally as exciting. This race season will see the return of two older traditions. The first is the Mesick Long race which will be a feeder race for the Lahaina Return race, departing on a Friday evening, with an overnight stay at Moloka'i. Secondly, we will stay overnight at Poka'i Bay to once again make the Poka'i Bay race a two-day race. We will be seeking input from members on suggestions for additional ways to improve the season's race schedule, related activities, and partnerships with other events and clubs. Please feel free to reach out to me with your great ideas. The 2020 HYC race schedule is listed below for your reference. I wish you all a prosperous and happy new year. GO HYC!

See you at the start line,

Sunny Mills

# 2019 Holiday Boat Parade

## A Hawaiian Paradise Holiday Boat Parade

Hawaii and Waikiki Yacht Clubs hosted the 2019 Holiday Boat Parade in the Ala Wai Harbor on 28 December. This last holiday nautical light parade of the decade was a great success with six boats participating. The parade route started in the basin in front of the HYC lanai and proceeded down the 100 row in front of the water front hotels and restaurants. The boats were greeted with loud cheers from the patrons of the Prince Waikiki Hotel, the Chart House restaurant and the Harbor Pub. The boats even received a surprise fun shout-out on channel 68 from guests of the Ilikai Hotel who were monitoring the parade on the maritime radio and wishing everyone a Merry Christmas and Happy New Year. After returning from row 100 the boats proceeded down the 500 row, welcomed by holiday greetings from local boat owners, then finished the parade once again at the HYC lanai. The lanai was full of yelling, dancing, and happy club members watching the parade.

In the end the Best Decorated Boat winners were announced to cheers and champagne toasts. It was close competition with the winners being:

1st Place: *Kuleana* - Skipper Dan Uptmor

2nd Place: *Laka* - Skipper Kawika Warren

Tied for 3rd Place: *Elara* - Skipper Matt McComas

The other fantastic boats participating included *Effortless* with Skipper Paul Miles and *Honu* with Skipper Nick Oney.

HYC and WYC would like to extend a HUGE thanks you to our awesome sponsors at the fabulous Prince Waikiki Hotel for providing a gift certificate for a free two-night hotel stay to the winning boat and all of their patrons who cheered on the boats.

In addition to the first place prize, all participating boats received a free bottle of champagne, and 6 burgers for their boat crew after a HYC Friday night race of their choice in January or February 2020. All participating racing sail boats received a two-minute time credit and an extra pitcher for any Friday Night Race of their choice in January or February 2020 if they placed 1st, 2nd or 3rd.

Finally, a special thanks to our parade judges, Kerrie Scott, Russ Johnson, Chris and Cyrus Howell, and Dawn Baer, as well as race committee members, Steven and Tracy Eder, and Bri Foulke.

## BYLAWS COMMITTEE

---

Aloha,

My name is Janell Clark and I am the newly appointed HYC Bylaw Committee Chair. Prior to asking Commodore Eder for this appointment, I dedicated my time to reading the bylaws, the Hawaiian Nonprofit Corporations Act, and Robert's Rules of Order. I have attended legislative meetings regarding the future of the Ala Wai. I have also studied the legal and cultural history of the native Hawaiians and sought to understand how best to serve and respect the sacred land and waters upon which our club sits.

The bylaws are our club's constitution. As members, your voice matters. It is our *kuleana* to understand the bylaws and to propose positive changes for consideration by our board and club members. I encourage every member to read (or reread) the current bylaws, to attend our monthly membership meetings, and to vote.

If we've not yet had the pleasure of meeting in person, please introduce yourself to me. You'll often find me working on sailing vessel Blue Moon or enjoying a Manhattan and dancing with Russ at the bar upstairs. It my pleasure and privilege to serve the members of Hawaii Yacht Club.

Mahalo,

Janell Clark  
HYC Bylaws Member Chair

## CRUSING AND VOYAGING SOCIETY

---

Aloha Members,

On December 8, 2019 the cruisers got together for the HYC Cruising and Voyaging Society's Christmas party. There was a potluck dinner with a nice variety of food. On the upper level of the club there was live music by Yvette Moore provided for our dancing and listening pleasure. We played a trivia game in which Kawika Warren took top honors and won all the prizes, but he opted to share all prizes as a good sport. We had a Christmas gift exchange all for fun. Our thanks to all who came out to participate: as usual, it was a fun event.

Special thanks to all who brought food, set up for the party, and cleaned up. Thanks also to Steve Eder for all the coordinating and planning.

On December 22, 2019 we held our last Sunday brunch gathering of the year. We welcomed our new HYC Galley operator, Davina. The food was great and the prices were reasonable. We enjoyed the brunch and got a chance to catch up with everyone. It was a good day for all.

Our next meeting will be on Tuesday, Jan. 7, 2020 at 6:30 p.m. on the lower level of the club. The meeting will include a potluck and perhaps a presentation.

We acknowledge Brian and Mizzy and their crew, Curtis and Megan, who traveled up to Nawiliwili, Kauai aboard their sailing vessel *Kokopelli*. We look forward to their return so we can hear the details of their trip. Well done!

The HYC Cruising and Voyaging Society is a group of like-minded boaters, mainly from the Hawaii Yacht Club, who gather several times a month to share, learn, and go out on boating adventures to various Hawaiian ports. If you want to be a part of this function please come out and join us.

On behalf of the HYC Cruising and Voyaging Society, I warmly wish all our HYC officers best wishes and thanks for stepping up for the upcoming year. Let's all keep working together to make the club the best it can be.

Got a story? Please contact us about your journey so we can get you a presentation date. Please contact the HYC office for more information: 808-949-4622-ext.1.

## JUNIOR SAILING

---

Aloha,

The Hawaii Youth Sailing Association Laser Clinic was on December 7 and 8, 2019 off of Waikiki. We had a nice easterly breeze of 12 knots on Saturday, December 7, and 4 knots from the south on Sunday, December 8th. The fleet practiced racing at the end of the event and greatly improved their leeward mark roundings.

The first Laser Regatta of the year will be Saturday, January 18<sup>th</sup> at HYC and all ages are welcome. The first start is scheduled for 1:30 pm. We usually have about 20 boats competing.

We have the annual Hawaii Youth Sailing Association El Toro Clinic coming up January 25<sup>th</sup> and 26<sup>th</sup> in Kaneohe for any interested El Toro sailors. All ages are welcome for this weekend sailing event.

Sailing classes for the spring begin on Saturday, February 15<sup>th</sup> and are held for 10 weeks. Our novice and intermediate classes are from 9:00 a.m. to 12:00 p.m. and the racing class is from 1:00 to 4:00 p.m.

We have adult sailing classes offered as well with scheduling by appointment. We use our Cal 20 and our 420 fleet for most adult classes.

## MARKETING REPORT

---

Happy New Year Members!

Marketing (currently me with brainstorming help from others) is busy as always trying to come up with fresh ideas. I want to give a great big shout out to Russ Johnson for helping to make the New Year's Eve Party a success. He and Janell Clark saved the day when I was sick by writing content for our Eventbrite site, running Facebook ads, and more. Rich Smith put the word out on Meet-Up for New Year's Eve and he is always available as a great sounding block.

The HYC Marketing Committee will be meeting to work on getting our new website ready for going live as well as on protocols to follow so that we move forward in a consistent manner. We are working with Membership including on social media for the younger generation, and on cleaning up our e-blast lists so that everyone consistently gets the emails the club sends out. Organizing for these things takes time and I want to apologize to those that haven't been consistently getting our emails.

Marketing the club is an effort in which we can all participate. Carolyn Majewski has been an invaluable resource for photos and more, not only in our awesome *Bulletin* that she designs, but also for social media. There are nine words I absolutely disdain: "This is the way it has always been done." The only constant in life is change; while we can learn from our past, that doesn't mean we can't change things in the future. This is especially true in marketing. I'm so grateful that we have so many great team members putting in countless hours for HYC as volunteers!

If anyone has any suggestions or feedback, I want to hear it. You can email me at [marketing@hawaiiyachtclub.org](mailto:marketing@hawaiiyachtclub.org). 2020 is going to be the beginning of a fantastic decade for Hawaii Yacht Club!!!

## MEMBERSHIP REPORT

---

Aloha HYC Members,

I am truly excited to be HYC Membership Chair this year. My promise to all members is to work diligently to increase our membership numbers. I am a sailing fanatic and adore HYC and the people that make it my second home. Along with HYC Marketing Chair Jen Long Wicke and her talented committee, we will be able to drive our membership numbers up significantly by implementing some proven marketing strategies. Although the main focus will be regular memberships, we would like to increase associate, intermediate, military, social, and corporate memberships and bring in younger members as well. We will work to encourage the participation of keiki and adults for the sailing program and get more members out and racing on Friday nights.

We announced new members at our last membership meeting; please welcome Alon Maor, John Maiurano & companion Jason Deming, Robert Karren, David and Judy Brown, and Juli and Brian King. We are thrilled to have you at HYC!

To reach our goals, we'll need your help. Please invite your *ohana*, friends, and co-workers down to the club. Introduce them to me, and I can give them a tour and talk about the benefits of the club. Remember, even associate out-of-state members can still use their HYC cards worldwide, so don't hesitate to promote your club to visitors and residents alike!

And if you meet a new member and own a boat, please invite them out on the water. I was discussing with Commodore Steven Eder the "why" in joining HYC. What gives potential members a reason to join? People will join if we can actively get them involved with sailing. We have a million-dollar view, a great Galley, best bartenders in the world, and a club of amazing people. Let's welcome new members and give them the feeling of *aloha* & home that so many of us share.

I am always open to suggestions and ideas and looking for committee members to join our team. If you don't know me yet, please feel free to introduce yourself. See you at the club!

Aloha,

Ashley Bailey

## DONATE YOUR BOAT

### Help our keiki learn to sail!

Thinking of selling your boat? Are you having trouble with the sale?  
Think about donating it to the Hawaii Yacht Club Sailing Program.

We accept boats in good condition and sell them to help benefit our youth sailors.  
You may be able to take a tax exemption. HYC works with a 501(c)3 foundation  
that may be able to provide you with a tax write off when we sell your boat.

### Four Easy Steps!

1. Contact Scott at (808) 220-6430 or [jrsailing@hawaiiyachtclub.org](mailto:jrsailing@hawaiiyachtclub.org) with your questions and intention to donate.
2. If your boat is something we could accept, we'll come out to meet you and review your donation.
3. We will list your boat and take over the ownership so you are free from responsibility.
4. Once you donate your boat, we provide all required IRS paperwork.

Your donation would turn this...
