MESSAGE FROM THE COMMODORE

Aloha members and friends!

Wow, half the year is gone already! July brings us Transpac which is always an exciting time around the club. I'd like to welcome all the participants, their families, and the amazing volunteers who make this event such a success. Unfortunately, with Covid-19 this year will be a little different as we still need to follow state mandates. We will be making the best of it though. While Transpac is not sponsoring any parties, we are still going to be holding a dinner for race participants on July 29th. More details TBA.

We are currently the only yacht club in Hawaii that is hosting two trash collectors to help clean the trash from the Ala Wai. Special thanks goes out to Kawika Warren for donating a special water station to fill water bottles with COLD filtered water. So far 290 bottles have been filled, hopefully reducing the amount of single use bottles being used. And the oyster beds are still filtering the water, too, as we continue to do our part to help save our planet.

Hope to see you soon at the club or on the water.

HYC Commodore
Steven Eder

BOARD OF GOVERNORS REPORT

Aloha Members,

We hear many good ideas from members that we can't implement or often even consider because they are in conflict with our tax-exempt status as a 501(c)(7) Social Club. We also get complaints that we can't act on for the same reason.

One of the features of a Social Club tax exemption is that we cannot open our facilities to the public without losing our tax exemption. That protects regular tax-paying businesses from unfair competition. We can allow public use in unusual cases of limited extent, but we must be aware of the laws if we do so. We can provide services to non-dues paying members in certain situations, but we must minimize those to fit within the law that "substantially all of the activities" of HYC are advancing the club's pleasure or recreational purpose.

Another feature is that while members can bring non-dues paying guests, we must be mindful of the law and stay within the limit of eight or fewer people per group of one dues-paying member - the reason for our "seven guests per member" rule. So when we go back to signing in at the gate on weekend nights, it's not okay to just say, "Add their extra people to my member number." It feels more *aloha*, but it puts the club afoul of the law.

On that note, we need more front door volunteers now that we are opening back up. That helps us stay within the law (as well as showing aloha and being a fun job); when we keep good records on guest relationships, occasionally being outside the safe harbor rules accidentally is not likely to jeopardize our status.

Because this relates to the IRS, there are many rules that we must follow, and we'll discuss more of them in the coming months so that we can work within the law to better our club.

At the July General Membership meeting, HYC voting members will nominate and elect a nominating committee chair. After the formation of a committee, the committee will be responsible for nominating a slate of candidates for the Board of Governors, of whom 2/3 must be boat owners at the time. Voting for the Board will occur at the end of the year.

See you at the club,
Hawaii Yacht Club Board of Governors

Please, join us as we celebrate...

Rosemary Keamoai-Strickland, newly announced winner of Merrie Monarch Festival's "Miss Aloha Hula 2021".

*Congratulations,
Rosemary!!*

Be sure to stop by the office and say "*aloha*" and "congrats" next time you are at HYC!

RC POWER

Aloha all,

The past month has been remarkably busy for the club. We hosted the first fishing tournament in many years, the HYC Kayak Fishing Tournament! For some great insight to the event please check out this [Fishing Tournament link](#).

Here are some more pictures of the event!

Upper Left: Clifton Twiggs winning catch – a 32.8 lbs. ulua, Center/Left: Chef Sean Congdon and his 3rd place catch – 11.8 lbs. kawakawa
Center/Right: Kayak fishing! Far Right: One of the prizes of the tournament from our sponsor Gyotaku by Naoki

We are now gearing up for the two remaining tournaments for this year:

- **July 10, 2021: HYC Seniorita Fishing Tournament**
- **August 21, 2021: HYC Open Fishing Tournament**

These events should provide lots of excitement for all participants. Please check the HYC Facebook page for updates and details.

Also, our year-round virtual fishing tournament is a huge success. For the month of June, Roger Takabayashi has claimed the billfish award for the month with a 153 lbs. Blue Marlin caught on his boat 4PLAY. Payout for this fish is \$180.00, congratulations on your winnings! Here he is with the catch of the month!

Hope to see you on the water or here at the club.

GALLEY BY THE SEA

Aloha members,

Finally, things are opening, and we can begin getting back to “normal!” Please continue to follow the instructions that are mandated as we progress in the right direction.

With Transpac coming into town, that means connecting with old friends and meeting some new ones. We will be posting changes to dinner and lunch schedules, expanding dining hours to accommodate all the racers and guests, and increasing staff numbers. Chef Sean will be creating some new exciting dishes and specials and serving our favorites.

Our Transpac Taco Race Party is sure to be a hit, with live music, entertainment and DJ’s throughout the week.

The Galley has been taking both reservations and walk-ins for dinner and special events. If you are not sure you can make it at a given time, please do not make a reservation and take another member’s spot by doing so. It’s not workable for the Galley and club to allow no-shows, so starting in July, consistent no-shows will not be able to make reservations.

See you at the Galley for *onolious* food, ocean views, and great company.

Galley Chair,
Cody Jarrett

P.S. I would like to personally thank everyone for their generosity and kind words in support of Carolina's healing journey. The love from the club is truly overwhelming and gives true meaning to *Ohana*.

RC SAIL REPORT

Aloha sailors!

Welcome to tier 5. We are now permitted to have as many as 25 persons per vessel. This includes Friday Night Race as well. We still need to wear our masks at the club while under cover and indoors.

The 2021 Lipton Cup was hosted by Kaneohe Bay Yacht Club on June 5, 2021. *Kurrewa* represented HYC well, finishing second to the defender *Yellow Dragon*. This race was held outside of K-bay in sporty conditions. *Maverick* of WYC finished a respectable 3rd.

Our next club race will be the Mesick Short Race to be held on July 17th offshore in Waikiki. Finally, Transpac begins on July 13th. Currently there are 42 boats registered.

I look forward to seeing all of you on the water!

VICE COMMODORE

Aloha HYC members and friends –

We are so excited to welcome TRANSPAC 2021 (TP21) to the islands and our Hawaii Yacht Club. Our club's historical connection to this world-famous offshore sailboat race always makes this an extra special occasion for sailors world-wide and HYC members. Transpac was originally conceived in 1886 by King Kalakaua. Our club was chartered in 1901 by Prince Kuhio and Prince David in support of this biennial competition! Once again, this year will be an exciting time that unifies us in camaraderie with our fellow sailors from around the world, the Transpacific Yacht Club, and our local yacht clubs.

This year poses some changes and challenges to the race and our HYC celebrations, with COVID regulations that will dictate the type and extent of celebrations our yacht club can host. As a result, HYC will not be hosting the traditional Transpac "party" of the past; however, we have made plans to host an exciting celebratory dinner party event. We will also open the club to welcome everyone during the period of July 19 to August 1. Waikiki Yacht Club will be operating a shuttle between clubs, and we have opened a slip at HYC for shuttle access.

The *All Hands Hoy Dinner Party* (pirate-speak for All Hands on Deck) will have tables of 10 for purchase, which will be your group's table for the evening. We ask that dinner groups follow all COVID mandates and not socially mingle with other groups (unless regulations change in the interim). Our HYC Officers of the Deck will greatly appreciate your compliance with the rules to make your experience easy and enjoyable.

Below are details of the *All Hands Hoy Dinner Party*. So, weigh your anchor, hoist the mizzen, and put on your long clothes to come about for a chantey and a bit of fire in the hole with your fellow scallywags as we share our unique brand of *aloha* with all Transpac fans!

Event: HYC's *All Hands Hoy Dinner Party*

Date: July 29, 2021

Time: 5 pm to closing

Dinner Theme: Mexican Fiesta, served family-style to the table

Tickets in tables of 10, gala-style. Buy your table and bring your friends.

Details on how to purchase tickets and make reservations will be announced soon

We are also seeking HYC Transpac volunteers to assist with the pre-event clean up (July 10 and 11), the dinner party (July, 29) and post-event clean up (July, 30). If you are interested in volunteering, please go to this link to sign up:

TRANSPAC REPORT

Transpac 2021 excitement builds and there are 44 Entries as of June 18, 2021. For general information go to the Transpac website <https://transpacyc.com/> and check out the Notice Board, Entry List, for the current list of yachts entered for the race.

The 51st edition of the biennial Los Angeles to Honolulu race is only weeks away:

- The first race start is on Tuesday July 13, 2021.
- The second race start Friday July 16, 2021.
- The third race start Saturday July 17, 2021.

The first finishers will begin arriving in Hawaii about a week after the last start.

HYC has always been a big supporter of this event and we are positioned to be in the center of the action. We anticipate filling up the Aloha Dock again with the racing yachts. HYC will be open 24/7 during the main week of the racing yachts' arrivals.

There will be COVID restrictions in place, and our HYC parties will be different this time around with more physical distancing or per the current State rules and regulations.

HYC will also play host to the boats that will be moored along the 500 row in the Ala Wai Harbor (approximately 20-25 boats). Per the COVID rules, "Transpac row" will not be having parties at 'party island' and the visiting yachts will have to make alternate arrangements once they have been docked and cleared. Typically, boats moored at WYC and HYC will have their hosting party at the respective yacht club. If you are wanting to greet and host a visiting yacht, you will want to check with the yacht clubs and submit an event request form.

Come to HYC to view the new Transpac trophy case, displaying many of the trophies the racers are competing for.

There is a need for volunteers and if you don't know who to contact to be a volunteer and part of the action, please email me and I can connect you with the appropriate person.

With the help of the harbor, other yacht clubs, and volunteers, the 2021 Honolulu Committee looks forward to a safe and successful 2021 Transpac. Thank you in advance for your help.

Regards,

Doug Allen,
V/C Race Operations.

PADDLING | WATERCRAFT

Aloha HYC membership,

News on the Paddling Front:

This past Saturday, July 3, there was a Scholarship Fundraiser for our HYC/Ikaika Athletes. We welcomed HYC members and guests in support our HYC youth and intermediate member athletes. Activities included a scholarship auction, games, prizes and dinner.

Just an FYI: *Did you know that 39 of our HYC/Ikaika athletes are going to Kayaking Nationals in Oklahoma in **AUGUST 2021**? Our athletes range in age from 10-70 years young.*

An opportunity: Fit and Fabulous is an adult program for 20 years and older with World Class Olympic coaching specific to your needs to become Fit and Fab. 1-3 sessions per week training as a squad. HYC members receive an amazing discount. Come find out more.

July 6th-15th: HYC will be host to the **Olympic Rowing Team**, as they acclimate on route to the Tokyo Olympics and hopefully provide a pathway for youth into college level rowing.

Stay tuned for our next paddling event. Paddling events will be posted by e-blast.

OFFICE REPORT

Aloha members,

As a reminder, we switched to a new card system in April 2021, so if you haven't picked up your new card, please come down to the office between 9 am and 5 pm, Monday through Saturday (we have added Monday to our office days). We'll be taking your photo for the new card system.

We've added a few technology updates around the club in the past month, including a new WiFi antenna graciously donated by Tony Miller. For Transpac we've established a new WiFi network called, "TransPac WiFi" that will be temporarily available for visitors. We're also upgrading the technology for the Tiki Bar in preparation for Transpac. Come on down and check out all the improvements we're making.

SHIPS STORE

Aloha members,

If you attended the June General Membership meeting, you saw the Commodore's podium displaying our variety of HYC aloha shirts, including the 2021 Reyn's Transpac shirt. Help keep demand for aloha shirts high, and we will keep stocking both new and favorite prints!

There is no aloha shirt equivalent for the women, so we are getting creative to expand our offerings. We have a limited supply of the high-quality small HYC sailcloth tote and the HYC zippered canvas pouch pictured here. Check them out, buy one (or two), and check back soon for some other new items.

And of course, please contact us to volunteer during Transpac. Then you can shop and do the right thing for your club at the same time.

JUNIOR SAILING

Aloha,

We are now in the middle of session 3 of Junior Sailing and I could not be happier with the classes thus far. We had 19 kids last week, 23 the previous week, and 16 this week plus 6 kids commuting from the north shore to join us twice a week.

Some of the kids' favorite things about junior sailing are getting out into the ocean; acts of piracy (not allowed); games to ramp up their mobility skills; and making games out of the drills that give them a chance to grow.

For us coaches, we encourage the kids to take on their risk levels and we have the joy of seeing them learn to make those decisions. We also get great comments that make us happy.

My amazing team of coaches--Ailana, Melody, Jillian, and Juliette—made this summer fun and without them, it would most certainly have been very challenging. Thanks to them and the help of everyone involved!

For adult sailing, we have added dinghy races every Monday evening from 5 - 6:30. The turnout has been greater than expected, so we have two races, with the first start at 5:30. Be there by 5:15 p.m. at the latest to be able to participate (\$15, cash or invoice through club). It's a great mixture of experience levels and I think everyone is having a lot of fun.

Saturday adult Topper classes will be held from 9 am to noon. These are indestructible learning machines. We are keeping this very affordable at \$30 a session. And if you want to dinghy race and it's been a while since you've been on one, we recommend you join us for at least one class.

CRUISING AND VOYAGING REPORT

Aloha members,

On June 18th a small group of HYC Cruising and Voyaging Society members met for dinner at the club. The food was great and service superb. Some of our cruising friends showed up to share tales of the sea.

In recent events, Captain Jeff Naus of *S/V Moonshadow* went to the neighbor islands with his crewmen and had a multi-week goodtime. Brian Black and Mizzy Lewis sailed *S/V Kokopelli* to the West Coast with Curt and Megan Feldman and they sold their beloved *Kokopelli* there. They have since moved back to Hawaii and are living on the Big Island. They are suggesting a future voyage to the Big Island to visit them.

After their voyage, Curt and Meg Feldman proceeded to sell their small boat and moved up to a Catalina 440. Although we got a quick visit aboard their new vessel, they were ready to set off to sea for day sailing. Hopefully, we will get a tour soon.

On June 20th, we came to the club for Father's Day Brunch and met up with a few of the cruisers. It was great to see our many wonderful members again.

As of this time, we are still awaiting COVID policies that will allow us to hold our regular meetings and presentations. It feels like we are getting there soon.

Hope you all have a great 4th of July and enjoy your summer.

Fair winds and following seas...

PORT CAPTAIN

Hello members and friends,

I am sure most of the articles this month are regarding the upcoming Transpac. Well, so is the port captain's report! We are super excited to welcome at least 12 Transpac boats onto our Aloha Dock. We have four boats already requesting a spot at HYC. Clearly those are the smartest and most fun boats in the fleet! We are working with participating boats, Transpac Yacht Club, and HYC members to figure out which other boats will fill our dock. Yes, I said HYC members. If you have a boat you would like to see on our Aloha Dock, please let me know. When you request a boat on the Aloha Dock, be prepared to sponsor their welcome party when they arrive. The crews will have been pushing the limits of their boats and themselves for over a week in all weather conditions. They will be ready for a mai tai and a party as soon as their dock lines wrap a cleat! Hawaii Yacht Club knows how to show a visiting boat a good time, so please volunteer to help with any and all Transpac festivities. A recent world cruising visitor to our Aloha Dock called HYC the "Hotel California of the Pacific": *You can check-out any time you like, but you can never leave!* He told me he would stay "10 days max" and ended up staying for over a month! I took it as a compliment to the environment we create. Keep up the HYC spirit, and I look forward to hearing which boat you plan to sponsor!

As always, feel free to contact me regarding mooring questions and requests. Just don't ask for a spot at the end of July: We will be BUSY!

Thank you,

Travis Scott
